COSTLY FIRE VISITED MONESSEN LAST NIGHT

Blaze, Thought to Be the Work of Firebugs, Caused Loss of $2,000 to Leathers Residence and Considerable Damage to Christian Church

The home of Mrs. Thylania Leathere, Eighth street and Schoonmaker avenue, was badly damaged by a fire last night, which is believed to be of incendiary origin. The Christian church which adjoins the Leathere home was also somewhat damaged. Adolph Foren while assisting the firefighters was struck on the head by a mattress thrown from a Third story window and sustained a broken leg

The loss on the Leathers home was this morning estimated at about $2,000, while the household goods not destroyed were badly damaged by smoke and water. Many valuable heirlooms, which Mrs Leathers would not have parted with for any price were either burned or destroyed. $3,000 insurance was carried on the home and $1,000 on the household goods. The damage to the church was slight.

Among others who lost heavily by the fire was Robert McCowan, who occupies the ground floor of the building. The fire did not reach his rooms, but practically all of his household goods were ruined by water. Several of Mrs. Leathers roomers also lost most of their clothes and other effects.

Every indication points towards the blaze being the work of a dastardly firebug. About 8:25 o'clock last night, Mrs. McGrew, who makes her home with her daughter, heard a noise in the porch pantry and later heard someone run from the porch but gave the matter little thought. A few moments later her attention was called to a column of smoke arising from the pantry by little Virginia Rinehart. She investigated, and was horrified to find the place in a mass of flames. An alarm was at once sent in, but it was some time before the fire whistle could be made to work.

When the firemen finally arrived on the scene, the fire had gained such alarming headway it was at first feared that both the Leathers home and the Christian church were doomed. Nothing but heroic work of the local firemen saved the buildings Although they were at a great disadvantage owing to the location of the house, they finally succeeded in getting the flames under control after a desperate battle.

One of the peculiar incidents of the fire was the accident which befell Adolph Foren, who was assisting the firefighters He had secured the valuable silverware, and had started to carry it to the Dewey Hotel, when a mattress pitched from the third story porch, struck him on the head, throwing him in such a manner, that his right leg was snapped off at the ankle. He was taken to the Dewey Hotel where this morning it was announced he was doing nicely.

One of the number of boys, who were among the first on the scene, told of having seen a negro run from the house just after the alarm was sent in. Upon seeing the boys, the negro had something beneath his coat and disappeared. The police will investigate this clue. As there was absolutely no fire in the room, it is certain that the fire was started by an incendiary, and an effort will be made to round up the guilty wretch. Mrs. Leathers stated this morning that she realized how greatly she was indebted to the firemen, for their excellent work, and wished to thank them and the many citizens who so willingly assisted.

Gus Kunrell who was in charge of the fire and whose efficient directions were greatly responsible for the fire being gotten under control so quickly, said this morning that he felt very grateful toward the citizens who lent such valuable aid while the fire was at its height. Had the fire gotten a few minutes more start, nothing could have saved either the Leathers home or the church and the members of the local fire department are to be praised for their noble efforts.

LATER—While search among the ruins of the fire this afternoon, a five-gallon oil can was found. This is almost proof positive of the fire having been the work of an incendiary as Mrs. Leathers said that she had had no oil about the house for months

Stonage Fined $10

John Stonage pleaded guilty to carrying concealed weapons before Judge Doty yesterday and was fined $10 and costs Mrs Stonage withdrew her case of surety of the peace.

YOUNG SCHOOL PRINCIPAL ARRESTED ON UGLY CHARGE

Declared His Innocence, But Says the Notoriety Will Blast Future Professional Prospects—Drink to Blame for His Predicament

Yesterday the Independent referred briefly to an ugly assault made at Greensburg on Miss Chrissie Baker, a popular clerk in the Troutman store. Recent developments are interesting. as one suspect, F.R. House, a school teacher of Smithfield, tells his story. Young House was in Greensburg and registered at the New Fisher House. Rumor says the young man is adicted to drink.

At the time of the trouble Miss Baker charged House directly, but he said he heard her scream and ran to her assistance, claiming his innocence; he was released and re-arrested, the last time becoming much confused in telling his story at the lockup. A number of other young ladies were insulted the same evening, but their description does not tally with House's makeup.

House is principal of schools at Smithfield, Fayette county, near Uniontown and his home is at Rice's Landing, at Lock No 6. The man said his business in Greensburg was of such a nature that it could not be divulged to anyone but a Mason, claiming membership in that order. He drank and became talkative, telling much that was of interest to no one except himself and this aroused some suspicion.

No blood was found on his clothing, but it is said that about 6 o'clock he rushed into the hotel and to the wash room, washing his hands and making a dash for a Uniontown street car. House's story is to the effect that in trying to walk off the effects of his drunk he became mixed up in this affair, which he deplores, as he says the charge, coupled with the jag, will greatly injure his reputation as a teacher. However, in all ages, man's evil propensities, unguarded, always get them into trouble, and though young House may not have attacked the young lady, he can blame only himself.

A Democratic "wheelhorse" of Pennsylvania says the New York and Nebraska elections are a victory for Bryanism. Evidently this "wheelhorse" of democracy has experienced a political "nightmare."

WHILE Gorky's roast of New York may be stronger than conditions warrant, there is something familiar about that statement of his that the povery of the East Side is the worst he has ever seen.

THOSE who anxiously await the president's opinion on the conditions and needs of the Panama canal, are at least assured that he will call a spade a spade—and maybe show the public how to use one.

A Chicago heiress to millions has eloped with her coachman. It's a pity those eloping heiresses cannot do something original once in a while, instead of following out a time-honored and chestnutty custom.

THOSE Oklahoma Indians who have asked the government to settle their disputes are between two fires, since it is announced that the committee on Indian affairs is on the way to the territory and Taft is making an inspection of the Oklahoma army posts. The red men don't know whether to await the arrival of the committee or run at the sight of Taft.

AT THE THEATRE

The only dramatic century plant from which flowers are always being picked, we may pardon the anachronism, is Tom's Cabin". Things may come and things may go, but this moving tale of slavery days, goes down the corridors of time forever.

It seems hardly possible that anybody may not have seen "Uncle Tom's Cabin," yet packed houses greets the famous Stetson Company wherever it appears and countless thousands laugh, cry and applaud as though it were a new dramatic offering. Such is the tenacious hold that drama has on the affections of theatre goers when properly presented. Poor versions of this play, and poor "Uncle Tom's Cabin" companies have for years dotted the sea of drama like so many active marine carryalls. Most of them are long since strewn along the shores of time, like so many derelicts.

The Stetson Company bears the reputation of a ravenavie among the productions of this drama and wins the very highest commendation. It is said to dwarf all other productions of this play, as the Himalayas dwarf a mole-hill. In Manger Washburn's production it is almost a new play, so modern and up-to-date are the various accessories to its successful presentation.

The Play is presented by an excellent company, perfectly adapted to the demands made upon each, and the five (5) acts are said to move as smoothly and impressive as a motor pacer.

The scenic effects are pronounced remarkably fine, while the necessary mechanical adjuncts will be found all that can be desired in order to make it good enough to be called stupendous.

The "Uncle Tom's Cabin" production is worth seeing and will prove a delight to young and old, to those who have seen it and to those who have not.

Stetson's is a remarkable revial of a reliable classic. The house is sure to be filled on Saturday Nov., 17. at the Monessen Opera House by those who wish to refresh their memories as well as those who delight in a fine dramatic offering.

Between the acts, special high-class vaudeville acts will be introduced. The parade is said to be the grandest ever given by any theatrical company anywhere.

LARGEST CHEESE IN MONESSEN.

Greer Brothers, the popular Schoonmaker avenue grocers, have in their show windows quite a curiousity in the way of a mammoth cheese, and much is the interest being excited.

This monster occupies the entire window, and is 36x18 inches in size, the largest ever seen in Monessen.

Patrons of the Greer store will be entitled to register a guess on the weight with every purchase, and the person making the nearest guess to the exact weigh will receive a five dollar gold piece, the cheese to be cut and distributed among patrons on Wednesday, the day before Thanksgiving. This cheese is of the full cream American kind, and is of the very finest quality on account of the chemical action in making, is said to be far superior to smaller sizes.

THREE-SPAN PLANS ADOPTED

County Commissioners Shupe, Reamer and Shaffer met in consultation Wednesday at the Fort Pitt hotel, Pittsburg, with the county commissioners from Washington county, Messrs. Wylie, Myers and Huffman. The conference was marked by no special features, but very little business being done, owing to the absence of the attorney for the Westmoreland county officials. The plans and specifications of the new Donora and Webster bridge were talked over and the plans for a three-span approach instead of four spans on the Washington county property of the Carnegie Steel company at Donora were adopted. No other business was transacted and the officials adjourned to meet at a future date, when other business pertaining to the letting of the contracts will be disposed of.

Deer Season Open.

The deer season opened last Thursday, and will last for 15 days, or until December 1. Many sportsmen will now take advantage of the two weeks and try to add to their reputation as hunters by getting a deer to their credit.

One person cannot kill more than one deer in a season and he must hunt with a rifle or with a shotgun loaded with not more than one ball.

Will Select Site December 15.

Secretary of the Treasury Shaw in a communication to Postmaster Clark Collins gave notice that final consideration will be given and selection made of a site for the United States government building to be erected in Connellsville and the purchase thereof closed on December 15, 1906. Continuing, the secretary says: "Persons desiring to submit further statements in writing relative to any sites are informed that these communications will be given consideration if on file before the date named."

Weak Women

To weak and ailing women there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Night Cure is the Local.

Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Dobbs, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

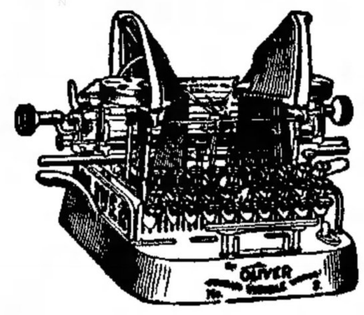
THIS TYPEWRITER DELIVERS THE GOODS

It's the Oliver—the Standard Visible Writer.

The Oliver Typewriter is just like an athlete stripped for a race.



It is free from unnecessary multiplicity of wires and springs

No net work of flimsy keys to get tied into hard knots

The nimble fingered stenographer can put talk into type with this machine just as rapidly as she takes your dictation.

For no matter how swiftly she writes, she can see just what she's doing

The keyboard is so wonderfully responsive to the touch of the finger tips that speed comes without effort.

The factors that make for speed are its visible writing, its light, elastic key-touch, and it's all 'round simplicity. It has the fewest possible wearing points, and it prints with a downward stroke.

The OLIVER Typewriter

THE STANDARD VISIBLE WRITER

is a flawless piece of mechanism, combining the strength of tested steel with the perfect adjustment of the works of a watch. You can use an Oliver a life time and the type will not lose alignment

It never suffers from nervous prostration; requires only a little oil and plenty of exercise to keep it at the highest point of efficiency.

The hum of Oliver Typewriters is heard in the most progressive business houses in the land. Sales increasing at a phenomenal rate. Get acquainted with the Oliver! Write for the Oliver book—we send it free with our compliments.

BIGGER Than Ever

THE QUALITY IS RIGHT AND THE PRICE IS RIGHT

WHY? By honest, fair and upright dealing our trade has increased so rapidly that in two years we have been compelled to increase our floor space from 4,400 to 11,000 square feet.

Day after day, in our store, customers remark that our stock of furniture is far above anything in the city in quality and that our prices are wonderfully low.

Goods that are cheap in quality should be cheap in price.

That's Why We've Grown.

Come in and take a look at our line of BED ROOM SUITS, and odd DRESSERS, in Mahogany, Bird's Eye Maple or Oak. In quality, design, workmanship and finish they are unequaled. Get our prices on Davenports and Leather Rockers.

One of our Carpets or Room size Rugs will add a wonderful "newness" to that dining room for Thanksgiving. AND THAT'S NOT ALL.
